It is alleged that the association refused to pay the money which was guaranteed Mr. Hayes on the grounds that the association had failed to hold its receipts and wished Hayes to bear a portion of the loss.

An Inquest was held over the remains at the undertaking establishment of Larkin & Son yesterday morning with a jury composed of T. W. Jones, C. A. Horsell and Richard Hill.

The jury rendered a verdict that the deceased came to his death by being struck by a locomotive engine while asleep on the track, and exonerating the railroad company from all blame.

A SUNDAY BLAZE.

Disastrous Fire—Baseball Thursday—General Notes of Local Interest.

Soon after 12 o'clock yesterday morning shots were heard in rapid succession coming from the direction of the First National bank building and in a few moments the fire bell pealed out. It was discovered upon arrival at the business portion of the city, that the Occidental saloon which is run by Wilson & Brown and Neibauer's cigar store, were in flames and that the fire was well under way before Night-watcher Elliott had become aware of the disaster. In fifteen minutes the street in front of the saloon was thronged with people, many of whom began the work of trying to save the stock, but found it too hot to accomplish much. The fire brigade were prompt in coming to the alarm and did effective work in extinguishing the flames. The stream from the waterworks has a force which will almost knock down the side of a house and when it was turned toward the building and into the crowd there was a sigh of relief on the part of the adjoining property owners. The fire was caused by a cigar, tobacco and liquor was carried into the street where Officer Wilkins took care to see that no pilferers would have a chance to do so. The bar stools, furniture, pictures and a large amount of stock were consumed in the saloon and Mr. Neibauer also lost nearly everything in his cigar factory, which is estimated to be valued at \$1,200 with \$500 insurance.

Wilson & Brown were insured for \$2,000 and claim to have lost in the neighborhood of \$5,000 in stock and fixtures. All the buildings west of Union and were owned by H. J. Malben, who had procured no insurance.

Very little stock was saved.

HAD NOT SLEPT FOR YEARS.

Mr. A. Jackson, an old resident of Knoxville, Mo., the proprietor of the magnificent new hotel at Rusk, informs us he had not slept at night for years, except in short snatches, owing to incessant coughing. He was advised by a very much run down Dr. Ballard's Horshoorn Syrup; he was immediately relieved of his cough and his rest improved to such a degree that he could sleep soundly all night. Mr. Jackson states: "I regard Ballard's Horshoorn Syrup superior to any cough syrup on the market, and its freedom from opium and morphine leave no constipation after using it. For this reason alone I consider it the best cough syrup in the world for children. My lungs are now stronger than they have been for years. The syrup is very agreeable to the throat and lungs." Sold by Zion's Co-op. Mercantile Institution drug department.
